

MOUNT WADDINGTON REGIONAL FALL FAIR
will be held in Port Alice Arena on Sept. 10th & 11th
(exhibit drop off and booth set-up on Sept 8th and 9th)

This year our theme will be:

TRADITION, TRANSITION & TOMORROW

Our theme is intended to honor the traditions of the fair, acknowledge that the North Island (and especially Port Alice) has gone through a transition period and look forward to our future.

This fair gives north island residents of all ages a chance to share their talents, and for businesses and organizations to showcase their products and services.

Exhibits will include:

Gardening – Fruits, Vegetables, Herbs, Flowers and Potted Plants

Home Baking & Preserves

Home-made Wines and Beers

Sewing, Needlework, Knitting, Crochet

Arts and Crafts

Photography

Now is the time to start planning on what you can enter.

A pamphlet with details of amateur categories will be available in May.

In addition to commercial booths, there will be food and entertainment.

We are looking for volunteers to help make the fair a huge success.

We need help in all areas: Set-up/take down of booths, decorating, judging, setting up exhibits, entertainment/demonstrations of hobbies.

Next planning meeting is April 6th at 7pm – SEAVAC building

Want to help but hate meetings, look for volunteer sign up sheets.
