Minimize non-essential travel

Make spaces safer

COVID-19 IN BC

Port Alice Spring Clean up

The annual Spring Clean Up will be from April 6th - 8th.

Details and pick up days on Page 4

MAYORS CORNER MARCH 2021

As we go through this upset condition we have to appreciate that it's not World War 2 and it's not the Great Depression. Things our parents lived through. We will get through this.

2021 is looking brighter. We are all doing our part flattening the curve and keeping us all safe. The past few months have been busy for Council. We have a new influx of residents calling Port Alice their home. We don't need the migration of 100 moving to our community, 30 can make our community vibrant again.

Council has a number of initiatives planned for this year. Tourism and outdoor activities are the way to go such as walking paths, kayaking, possible retrofits to Lions Park to accommodate all age groups. Another highlight is Telus is investigating the possibility of installing a cell tower to improve our services which are needed. The Village of Port Alice has applied for numerous grants which I believe will be successful.

We're in this together, stay safe.
Mayor Cameron

Sidewalk & Footbridge Winter Maintenance Policy 2020 - 2021 Winter Season

During the 2020 - 2021 winter season, please be aware that the Village of Port Alice does not remove snow and/or ice from the public sidewalks in the village.

When the sidewalks and/or footbridges are covered with snow and/or ice they are very slippery. Please use extreme caution when walking on them. Under the policy the Public Works Crew is directed to clear the **footbridges only**, and only after the major roads and streets have been cleared.

We regret this inconvenience brought on by forces of nature, and remind you to use **extreme caution** when using the sidewalks and footbridges during the winter, and that you are doing so at your own risk.

This notice is published in accordance with Village of Port Alice Sidewalk & Footbridge Maintenance Policy Code No. 4.3.b.

Village Council Meetings

Council Meetings are held the 2nd & 4th Wednesday of the month in the Village Council Chambers at 7:00 pm. If there is an issue or concern that you wish to address Council about, you may request delegate status by submitting a signed letter of request by 5:00 pm on the Thursday prior to the next meeting.

TRANSFER STATION NOTICE

The **Transfer Station** will remain open for recycling and garbage disposal during regular operating hours. There will be no bottle collection at this time. **We will only be able to keep the facility open if residents respect the social distancing guidelines while using the service.**

One person in the indoor recycling facility at a time and no scavenging or visiting while on-site. We ask that the public stay out of the Public Works yard and shop area.

Please refrain from flushing any type of disinfecting wipes, flushable wipes, or paper towel down your toilets. This will cause expensive damage to the Sewer System and can create issues for home owners as well.

These wipes DO NOT break down like toilet paper does.

Municipal Transfer Station (Outside)

721 Marine Drive

If you do need to go to the Health Clinic and are experiencing flu like symptoms please remember to wear a mask and sanitize your hands when you enter.

Thank you for keeping our local medical centre staff as safe as possible!

REBATE OFFER

Rebates available from Port Alice Gas Inc., on the installation of new propane fueled appliances installed to current customers of Port Alice Gas Inc.

Propane Appliances covered include hot-water heaters, stovetops with or without oven, clothes dryers, and fireplaces.

Amount of Rebate: \$50.00 per appliance installed.

Term: Applies to installation of new appliances installed between November 15th, 2020 and June 15th, 2021.

To receive your rebate: Confirmation of these new installations must be received by Port Alice Gas Inc. by June 30th, 2021.

Paperwork required to claim rebate: Provide a copy of invoice for the appliance installed and a copy of a licensed gas fitters invoice for the installation. E-mail copies of your invoices to rebates@portalicegas.com or mail to 406 Winter Drive, Lake Cowichan V0R 2G1.

Rebate will be in the form of a credit to your Port Alice Gas Inc. account.

**Are all the jobs online and out of reach?
Is a lack of computer skills holding you back?
Do you want to job search in the modern way?
Do you need basic computer skills and don't
know where to turn?**

A lack of computer skills or "digital literacy" makes modern job search difficult. Most jobs are posted online and many employers expect job applicants to apply through online forms or send a digital resume via email.

In the CONNECT4WORK program learners will start from the basics – turning on a pc, using a mouse, understanding technology vocabulary – and build on their skills over 6 weeks.

On program completion, students will be able to: use a laptop to search for and apply for work, take online classes to upgrade their skills or explore new careers, use a conferencing/learning platform like zoom, communicate effectively through email, become familiar with Word to edit or create a resume and cover letter, and access online services for banking, libraries, health and government services.

FREQUENTLY ASKED QUESTIONS

Do I have to be unemployed to participate?

No. If you are looking for a better job or a new job, you can take the program.

Will there be tests? No. The goal is to learn what you need to, to meet your goals at your own pace.

Will I earn academic credit? No, but it's a great item to add to your resume!

CONNECT 4WORK

Intro to computers for job seekers

CONNECT4WORK: Introduction to computers for job seekers is a FREE program that shows you how to use technology to:

- look for work
- access online government, health and other services
- pursue continuing education
- connect to family and community

***We provide a laptop computer to use during the program.**

Timing: Class time is 36 hours over 6 weeks. We will work with learners to determine the days and times.

Classes during COVID-19: We hope restrictions will be lifted in April to hold classes of 8 learners with masks and distanced work spaces in the Larry Pepper Room at the Community Centre. We will reschedule or reconfigure as necessary to follow provincial health guidelines.

Free classes available for 8 learners in Port Alice!

**To register or for more information give us a call!
Nickka Hutton, Program Facilitator: 250-956-2878
or email connect4work@hotmail.com**

CONNECT4WORK was created by the Mount Waddington Family Literacy Society to help North Vancouver Island job seekers. This beta-test program is part of a three-year research project that looked at the learning needs of local workers who have been displaced from their jobs by closures, shift cuts, natural disasters or COVID-19. Research included round table discussions with Mount Waddington organizations and businesses, individual surveys, interviews, and a case study.

Royal Canadian Legion Branch 180

Phone: 250-284-3256

Village of Port Alice Wood Stove Exchange Program

The Port Alice Wood Stove Exchange Program is designed to encourage residents to exchange their old, inefficient, non-EPA certified wood burning appliances for new EPA-certified wood burning stoves and inserts, and other qualifying appliances including gas, pellet and electric. (Some exceptions apply).

Port Alice residents who exchange their old wood-burning appliance for one qualified under the Program, are eligible to receive a **\$250 rebate**, providing that the old stove will be decommissioned and recycled.

Ask for details at the Village Office or look online at www.portalice.ca

Are you planning to replace a Wood or Pellet Stove?

There's a **\$250 rebate** that can help reduce your costs!
