MAYOR'S CORNER FEBRUARY 2022

Council would like to wish everyone a Happy New Year. I must say the last few years have been the most challenging times we have ever faced. It has created uncertainty and doubt in our day to day lives. There is always a beginning and an ending. I believe we will get through this soon. Isn't it interesting how fragile our society becomes if there is a glitch in our supply chains.

January and February are very busy times for Council as we set the 2022 property taxes. Council is in the process of preparing 2022-2026 financial plan. There will be a public meeting on March 23, 2022 for discussion and input. Hopefully this meeting can be in person but depending on the covid situation it may need to be virtual again.

The property assessments in the Village of Port Alice for 2022 increased an average of 55% over 2021. Increased property assessments do not always mean an increase in property taxes. Property taxes are calculated using mill rates and property assessments. Mill is derived from the Latin word millesimum, meaning thousandth. As used in property tax, 1 mill is equal to \$1 in property tax levied per \$1,000 of a property's assessed value.

The Village of Port Alice 2022 property tax amount will be based on budget requirements. Mill rates could decrease or increase, depending on the tax amounts required for the year. Council is starting budget meetings this month for the 2022-2026 Financial Plan and there will be a chance for public input later in March.

Your tax bill includes taxation for other organizations such as School, Police, Regional District Mount Waddington, and Mount Waddington Regional Hospital District. The Village of Port Alice does not control the Mill rates for these organizations.

In order to prevent any undue hardships on our residents we will be keeping our taxes as low as possible.

Sincerely

MAYOR CAMERON

Sidewalk & Footbridge Winter Maintenance Policy 2021 - 2022 Winter Season

During the 2021 - 2022 winter season, please be aware that the Village of Port Alice does not remove snow and/or ice from the public sidewalks in the village.

When the sidewalks and/or footbridges are covered with snow and/or ice they are very slippery. Please use extreme caution when walking on them. Under the policy the Public Works Crew is directed to clear the footbridges only, and only after the major roads and streets have been cleared.

We regret this inconvenience brought on by forces of nature, and remind you to use extreme caution when using the sidewalks and footbridges during the winter, and that you are doing so at your own risk.

**This notice is published in accordance with
Village of Port Alice
Sidewalk & Footbridge Maintenance Policy Code
No. 4.3.b.**

Grab-and-Go Bag

With more stormy weather in the forecast, it's a great time to make sure you've taken steps to protect your family and your home. It's a good time to check those flashlight batteries too! It is your responsibility to ensure you and your household are properly prepared for an emergency. Taking a few minutes to prepare before an event can take a lot of the fear and panic out of an emergency situation. 72-Hour kits can be purchased complete or are easy to put together on your own. www.getprepared.gc.ca is an excellent resource to use and the Community Centre has Emergency Preparedness info packs ready to go!

BC Strong Start Program

Participate with your young child (aged birth to five) in play-based early learning activities – including stories, music and art. At no cost to families, this early learning drop-in program helps prepare children for success in Kindergarten.

StrongStart BC programs provide rich learning environments designed for early learning development – language, physical, cognitive, social and emotional. Qualified early childhood educators lead learning activities where children find opportunity to make friends and interact with others of similar ages.

The overall learning experience is shared as parents and caregivers attend with their children and are encouraged to get involved in activities like telling stories, playing games and serving healthy snacks. Join us to learn new ways to support your children's learning, get information about community programs and services and make valuable connections with others attending the program.

The Port Alice Strong Start group meets Tuesday and Thursday mornings from 9 am to Noon.

Village of Port Alice Wood Stove Exchange Program

The Port Alice Wood Stove Exchange Program is designed to encourage residents to exchange their old, inefficient, non-EPA certified wood burning appliances for new EPA-certified wood burning stoves and inserts, and other qualifying appliances including gas, pellet and electric. (Some exceptions apply).

Port Alice residents who exchange their old wood-burning appliance for one qualified under the Program, are eligible to receive a **\$250 rebate**, providing that the old stove will be decommissioned and recycled.

Ask for details at the Village Office or look online at www.portalice.ca

Are you planning to replace a Wood or Pellet Stove? There's a \$250 rebate that can help reduce your costs!
