

February 11, 2022

First and foremost, we are so thankful for the dedication of our volunteers in the community. Our Fire Department, Search and Rescue and our Community Centre program volunteers make our community a much healthier place to live. A special thanks to Lee Ann Watson for keeping us all fit with many years of yoga instruction. May and Peter Fung for teaching the special art of Tai Chi. It is with great pleasure from Mayor and Council that we recognize their contributions to the community we are by presenting them with the coveted Port Alice umbrella.

Sincerely

Mayor and Council
