MAYOR'S CORNER

APRIL 2022

Back to the future. It will be nice to have something else to think about instead of "where's my mask?" As we move forward, let's be respectful of other's personal choices.

A big thank you goes out to our Community for supporting our local businesses. The Thrift Store women are amazing. Thank you for your kind donations to our Community Center youth programs. We are a richer community because of your generosity.

The Village would like to welcome our newest RCMP officers Cody and Jordan. Both members have extensive training in traffic enforcement. Heads up!

We are still on the lookout for a few good men and women for our Fire Department. This is your community.

Mayor Kevin Cameron

Spring is here!

Remember to be bear aware

Bears come out of hibernation in the spring, but the timing can vary depending on local weather conditions and terrain. For example, some bears on the coast have been spotted roaming during mild winters.

How to avoid attracting hungry bears:

- Keep garbage, recycling and compost inside until pick-up day
- Regularly clean garbage and recycling bins, cover food compost with dry leaves or grass clippings
- Pick up ripe and fallen fruit daily, harvest ripe vegetables
- Clean barbecue grills after every use, store when not in use
- Don't leave pet food outside or use bird feeders April to October

Village Council Meetings

Council Meetings are held the 2nd & 4th month in the Sea View Activity Centre at 7pm. We are now able to allow up to 3 spectators within the safe distancing guidelines. We will continue to post agendas ahead of time and questions and/or responses can be sent to info@portalice.ca. Agendas are available online at portalice.ca

BC Strong Start Program

Participate with your young child (aged birth to five) in play-based early learning activities – including stories, music and art. At no cost to families, this early learning drop-in program helps prepare children for success in Kindergarten.

StrongStart BC programs provide rich learning environments designed for early learning development – language, physical, cognitive, social and emotional. Qualified early childhood educators lead learning activities where children find opportunity to make friends and interact with others of similar ages.

The overall learning experience is shared as parents and caregivers attend with their children and are encouraged to get involved in activities like telling stories, playing games and serving healthy snacks. Join us to learn new ways to support your children's learning, get information about community programs and services and make valuable connections with others attending the program.

The Port Alice Strong Start group meets Tuesday and Thursday mornings from 9 am to Noon.

Did you know...

Hanami is a Japanese Cherry Blossom festival represents the beginning of Spring each year. The cherry blossom acts as a **cultural symbol of renewal and hope** and has long been treasured by the Japanese as an emblem of their country's beautiful landscape. It's the most beautiful time to be in Port Alice and seems so fitting to be celebrating renewal as we are finally moving away from restrictions!

You may have noticed some beautiful new artwork around town on your walks! Thank you to the Sea View students for sharing your talents with the Community through your beautiful painted rocks and shells.
