The Port Alice Community Centre and Staff would like to give a huge thank you to the ladies of the Port Alice Thrift Shop for donating to our Concession Cash Rewards Program.

The Staff at the Community Centre started a small Kid's Concession to go along with our kid programs, and it has been a huge success. Kids have been appreciative and respectful to Staff, and kind and generous towards each other. We would like to share our experience and keep the momentum going.

The Community Centre is teaming up with Seaview School to give kids a chance to earn Concession Cash for the Community Centre Kid's Concession. Kids will have a chance at both the Community Centre and school to earn Concession Cash by possessing good behavior, kindness towards others, generosity and an overall positive attitude. Our goal is to encourage kids to make positive choices at school and in the community.

### BC Strong Start Program

Participate with your young child (aged birth to five) in play-based early learning activities – including stories, music and art. At no cost to families, this early learning drop-in program helps prepare children for success in Kindergarten.

StrongStart BC programs provide rich learning environments designed for early learning development – language, physical, cognitive, social and emotional. Qualified early childhood educators lead learning activities where children find opportunity to make friends and interact with others of similar ages.

The overall learning experience is shared as parents and caregivers attend with their children and are encouraged to get involved in activities like telling stories, playing games and serving healthy snacks. Join us to learn new ways to support your children's learning, get information about community programs and services and make valuable connections with others attending the program.

The Port Alice Strong Start group meets Tuesday and Thursday mornings from 9 am to Noon.
