MAYOR'S CORNER JUNE 2022

As we initiate strategies to enable our Village to move forward, we are looking good. In past years, I have always viewed Councils as being reactive, but I must say this Council is very proactive. Instead of waiting for our ship to come in, we are rowing out to meet it.

Good news last week, Port Alice hosted the North Island Community Forest AGM. We were presented with a bonus payment to our Village of \$75,000.00. This will go a long way.

Through grant applications, we have been able to invest in infrastructure. We are currently in the process of replacing our three deep water submersible water pumps. This will ensure high quality drinking water for years to come.

One important thing to remember is that water conservation is of key importance and something that every household should practice. A running toilet or water hose left unattended is a big ticket item. Water is not free.

We have been able to, with grant monies, order our outdoor fitness equipment which will be installed at Lions Park so we all can enjoy the great outdoors.

There is a probability that our summer weather will be quite warm. Stay safe.

Stage 1 Water Restrictions are in Effect June 1, 2022

Stage 1 Water Restrictions - a person may;

(a) water lawns, trees/shrubs/flowers/vegetables gardens using hose-connected or automatic sprinklers only if the following conditions are met:

- premises with even numbered addresses on even numbered days
- premises with odd numbered addresses on odd numbered days

Stage 1 restrictions shall be in effect between June 1 and September 30 each year.

Residents... a few guidelines to:

Help keep our streets clean:

- **Use bear-proof cans** with secure lids, to prevent crows, bears and other animals from creating a mess (Garbage bags alone, not in a receptacle, are NOT permitted).
- Residents are responsible for cleaning up spilled garbage in front of their homes.

And keep our garbage collector safe and happy:

- A single can should be **maximum 50 pounds** (22 kg)
- Kitty litter and woodstove ashes can add significant weight, please balance weight between cans accordingly.
- Please note: overweight cans may not be picked up.

Reminder: Wet or Dry... Cardboard must not be placed in any garbage container!

TRANSFER STATION NOTICE

The Village Of Port Alice Transfer Station at the Public Works Yard is for **residential** use only. Contractors must dispose of waste at the 7 Mile Landfill.

Wood waste must be clean.

The Transfer Station does not accept drywall or asphalt roofing tiles.

Everyone can do their part to make the system work, please take the time to separate your waste properly and follow the signage placed around the yard.

Please refrain from flushing any type of disinfecting wipes, flushable wipes, or paper towel down your toilets. This will cause expensive damage to the Sewer System and can create issues for home owners as well.

To whom it may concern,

The impact of cancer on our lives, our families and our communities is enormous. Because of it, the Canadian Cancer Society is committed to doing everything it can to save and improve lives. One of the Canadian Cancer Society's most high-profile fundraising initiatives, Cops for Cancer, focuses on families impacted by cancer. It involves committed cops, caring communities, and inspirational kids. Participants from law enforcement and emergency services ride hundreds of kilometres across British Columbia all while fundraising for children and families living with cancer.

On Vancouver Island, Tour de Rock will run from September 24th through to October 7th, 2022, from one end of Vancouver Island to the other. This year is especially important to our caring communities as we celebrate Tour de Rock's 25th anniversary. From the very first ride in 1998, Tour de Rock has grown on the strength of dedicated volunteers and community partners from Port Alice to Victoria raising over \$27 million funding life-saving pediatric cancer research and the acclaimed summer recreational program, Camp Goodtimes.

Our event will be held at the Royal Canadian Legion #180. We are hoping to have a seafood feast to celebrate the tours 25th year! MOWI has donated 3 salmon for the dinner already! We are estimating to feed 80 people. If you can donate something for the dinner, or an item for the silent auction, or make a cash donation please contact Ashley.

Thank you for considering our donation request. It is with donation from people like you that can help children with cancer and their families right here on Vancouver Island by being involved and supporting the Cops for Cancer – Tour de Rock.

Sincerely,

Ashley Boese

Village of Port Alice Wood Stove Exchange Program

The Port Alice Wood Stove Exchange Program is designed to encourage residents to exchange their old, inefficient, non-EPA certified wood burning appliances for new EPA-certified wood burning stoves and inserts, and other qualifying appliances including gas, pellet and electric. (Some exceptions apply).

Port Alice residents who exchange their old wood-burning appliance for one qualified under the Program, are eligible to receive a **\$250 rebate**, providing that the old stove will be decommissioned and recycled.

Ask for details at the Village Office or look online at www.portalice.ca

Are you planning to replace a Wood or Pellet Stove? There's a **\$250 rebate** that can help reduce your costs!
