Homeowners should have received tax notices by now – taxes are due August 2, 2022

If you qualify for the Home Owners Grant through the Province please make sure to follow the directions on your notice to claim the grant. This needs to be done every year. The information you will need is on your tax notice. Full details can be found at <https://www2.gov.bc.ca/gov/content/taxes/property-taxes/annual-property-tax/home-owner-grant>

There are so many beautiful places to explore around our community and we love to see families out and about enjoying nature. Please take some time to ensure you are prepared for safely driving on the logging roads, fire safety, and wildlife encounters. There is information regarding this at the Community Centre and the Village Office.

To whom it may concern,

The impact of cancer on our lives, our families and our communities is enormous. Because of it, the Canadian Cancer Society is committed to doing everything it can to save and improve lives. One of the Canadian Cancer Society's most high-profile fundraising initiatives, Cops for Cancer, focuses on families impacted by cancer. It involves committed cops, caring communities, and inspirational kids. Participants from law enforcement and emergency services ride hundreds of kilometres across British Columbia all while fundraising for children and families living with cancer.

On Vancouver Island, Tour de Rock will run from September 24th through to October 7th, 2022, from one end of Vancouver Island to the other. This year is especially important to our caring communities as we celebrate Tour de Rock's 25th anniversary. From the very first ride in 1998, Tour de Rock has grown on the strength of dedicated volunteers and community partners from Port Alice to Victoria raising over \$27 million funding life-saving pediatric cancer research and the acclaimed summer recreational program, Camp Goodtimes.

Our event will be held at the Royal Canadian Legion #180. We are hoping to have a seafood feast to celebrate the tours 25th year! MOWI has donated 3 salmon for the dinner already! We are estimating to feed 80 people. If you can donate something for the dinner, or an item for the silent auction, or make a cash donation please contact Ashley.

Thank you for considering our donation request. It is with donation from people like you that can help children with cancer and their families right here on Vancouver Island by being involved and supporting the Cops for Cancer – Tour de Rock.

Sincerely,

Ashley Boese
