Municipal News

September is a busy month, and we hope to see the community out and about to take part in the Official Community Plan opportunities, and the new fall programs at the Community Centre! Club Night and Business Fair is Sept 12 and a fantastic chance to see what's happening around town!

Bears are still in town, and will continue to be, so keep be diligent in your efforts to keep attractants to a minimum. In the last two weeks there have been two bears wander through town and no issues! If they are not rewarded, they will move on to enjoy the buffet the forest offers. Fruit is (finally!) starting to ripen so get out and pick your fruit. If you are unable or have too much offer it to friend or neighbour! Many of our locals have offered to help in this area so we can work together to enjoy the fresh fruit and keep the bears safe.

It's election time! This is your chance to get involved in your local government! Check out the Port Alice website Elections page for lots of important information! Nominations packages are available at the Village Office and staff is happy to help provide any information you may need in deciding if this your time to step up and be part of governing our little piece of paradise.

Council Meetings are held the 2nd & 4th Wednesday of the month in the Village Council Chambers at 7:00pm. The Village of Port Alice is updating the Official Community Plan (OCP). Get ready to create transformative progress for the Village!

Our Port Alice. Rugged. Wild. Independent. Connected. A spirit place. The end of a road, but the beginning of a bold world we can imagine from our shore. Port Alice is calling to us.... asking us to step into an ambitious future. To find harbour for new horizon lines. Tourism development, attraction of digital nomads, independent entrepreneurs, and Internet enterprise, growth of small business, outdoor recreation opportunities, and affordability are some potential themes to explore.

It's your time to answer the call. With ideas. For an Official Community Plan update that will have a generational impact on everything we see around us.

Check out these opportunities to engage!

Tuesday, September 6

4:30 - 5:30 PM - Community Walk and Talk departing from Town Hall – Meet the team that is preparing the OCP and talk about what's important to you and the community – our history, new projects, next projects, revitalization ideas, improvements to public spaces, business developments and more!

7:00 - 8:30 PM - "Big Moves" Community Open House/ Presentation and Interactive Workshop – Community Centre. Together we will explore important community themes and ideas.

Wednesday, September 7

10:00 - 11:00 AM - Coffee Shop Pop-Up! – Come on over for coffee – it's casual. Have ideas? We would like to hear them. Plus, the coffee is great! See you at Foggy Mountain Coffee.

Background:

The Village's current OCP is 12 years old and needs updating to align with community needs and future growth. The OCP is the highest-level statutory plan in the Village. It provides the framework for the community to consider future vision, goals, and aspirations, and includes policies to support long-term actions that will create the Village that we want to live, work, and play in!

OCP's are powerful in their ability to:

- Articulate DEVELOPMENT VISION
- Create ENABLING POLICIES THAT TRANSLATE VISION IN GEOGRAPHIC TERMS
- Create a FRAMEWORK TO GUIDE COMMUNITY GROWTH AND RE-INVESTMENT
- Include CHANGES AS REQUIRED BY LEGISLATION
- Capitalize on DEVELOPMENT TRENDS SUITABLE FOR THE VILLAGE
