**VILLAGE OF PORT ALICE  
BYLAW NO. 670, 2022**

**Schedule B  
Statement of Objectives and Policies**

In accordance with Section 165 (3.1) of the Community Charter, the Village is required to include in the Five-Year Financial Plan, objectives and policies regarding each of the following:

1. The proportion of total revenue that comes from each of the funding sources described in Section 165 (7) of the Community Charter;
2. The distribution of property taxes among the property classes, and
3. The use of permissive tax exemptions.

**Funding Sources**

Table 1 shows the proportion of total revenue proposed to be raised from each funding source in 2022. Property taxes normally contribute to the greatest proportion of the Village's revenue, however, in 2022 the largest proportion is Grant Revenue which is directly related to Capital Projects. The property tax revenue source offers several advantages. For example, it is simple to administer, and it is easy for residents to understand. It offers a stable and reliable source of revenue for local government services that are simply not practical or undesirable to fund on a user-pay basis. These services include general administration, fire protection, police services, bylaw enforcement, solid waste management, recreation, and local transportation services (i.e) maintenance & upkeep of local roads and streets.

User fees and charges form the fourth largest portion of planned revenue. Many services can be measured and charged on a user-pay basis. Services that are effectively charged on a user fee basis include water and sewer services, garbage collection, building permits, and the sale of other goods and services such as recreation and cemetery services. Village Council and Staff support the value of user fees that are relative to the cost of the service to avoid the service being subsidized by taxation.

**Objective**

Over the next 5 years, the Village of Port Alice will review the proportion of revenue that is received from user fees and charges and increase current levels as required.

**Policies**

The Village will annually review all user fee levels to ensure they are adequately meeting the delivery costs of service.

Where possible, the Village will endeavor to supplement revenues from user fees and charges, rather than taxation, to lessen the burden on its limited property tax base.

**Table 1: 2022 Sources of Revenue**

<b>Revenue Source</b>	<b>Revenue: Percentages of Total Budget</b>	<b>Dollar Value</b>
Taxation	13%	642,950
Fees, Charges & Other Revenue	7%	346,650
Federal & Provincial Grants	71%	3,620,130
Appropriation from Reserves & Surplus	9%	491,670
<b>Total</b>	<b>100.00%</b>	<b>\$ 5,101,400</b>

**Distribution of Property Tax Rates**

Table 2 outlines the distribution of property taxes among the property classes. Historically the major industrial property class provided the largest proportion of property tax revenue. This was appropriate as this class formed the largest portion of the assessment base and was the main reason for the existence of the community. BC Assessment changed the Class of the Major Industrial property to Business in 2020 and significantly reduced the value.

**Objectives**

The Village Council continues to work with all levels of government and local business to attract additional economic opportunities.

The Village also recognizes the need to maintain the property tax rate for business (class 6) at a low rate.

**Policies**

Supplement, where possible, revenues from user fees and charges to help offset the tax burden on all property classes. This will provide some relief and reduction of dependency on the pulp mill and other rate payers.

Council will continue to maintain and encourage economic development initiatives designed to attract more retail and commercial business to invest in the community. New business investments will help offset revenue dependency on all taxpayers by providing a broader tax base.

Align the distribution of tax rates among the property classes with the social and economic goals of the community, particularly to encourage a range of employment opportunities

Regularly review and compare the Village's distribution of tax burden relative to other BC municipalities.

**Table 2: 2022 Distribution of Property Tax Rates**  
**Based on Preliminary Values**

<b>Property Class</b>	<b>Percentage of Total Property Taxation</b>	<b>Dollar Value</b>
Residential (1)	79.9%	\$ 491,546

Major Industrial (4)	0%	
Light Industrial (5)	5%	\$ 33,012
Business (6)	7%	\$ 44,439
Recreation (8)	0.1%	\$ 280

**Permissive Tax Exemptions**

The Village of Port Alice Council reviews all existing permissive tax exemption bylaws on an annual basis. Council bases their consideration on the following criteria:

The tax exemption must demonstrate benefit to the community and residents of Port Alice by enhancing the quality of life (economically, socially and culturally) within the community.

The goals, policies and principles of the organization receiving the exemption must not be inconsistent or in conflict with those of the Village of Port Alice.

The organization receiving the exemption must be a registered non-profit society, as the support of the municipality will not be used for commercial or private gain.

Permissive tax exemptions will be considered in conjunction with: (a) other assistance being provided by the Village; (b) the potential demands for Village services or infrastructure arising from the property; and (c) the amount of revenue that the Village will lose if the exemption is granted.

**Objective**

The Village of Port Alice will continue to provide permissive tax exemptions to non-profit societies that contribute social, economic and cultural benefits to the community.

**Policies**

Council will continue working with all the non-profit societies for the betterment of the Community.
