FREE TAX CLINIC PORT ALICE

DATE: APRIL 4 & 5, 2023

TIME: 8:30 AM – 4:00 PM

LOCATION: Port Alice Municipal Office
1061 Marine Drive, Port Alice, BC

Chan Nowosad Boates Chartered Professional Accountants will be preparing tax returns for **FREE** for lower income residents on **April 4 & 5, 2023** at the Port Alice municipal office.

This service is available for individuals who earn under \$25,000 a year.

An appointment is not required to participate in this tax clinic.

Please bring with you your SIN #, any T slips or other tax slips you have received, donation receipts, and any significant medical receipts for which you were not reimbursed (including dental, physiotherapy, registered massage therapists, prescriptions, etc.).

Why should you file a tax return if you have lower income or do not owe any taxes nor expect a refund back?

If you do not file a tax return you are not eligible to receive GST credits or the BC Low Income Climate Action Plan credits. Filing your tax return ensures that you receive all cash payments and benefits that are available to yourself and your family.

Sidewalk & Footbridge

Winter Maintenance Policy

2022 - 2023 Winter Season

During the 2022 - 2023 winter season, please be aware that the Village of Port Alice does not remove snow and/or ice from the public sidewalks in the village.

When the sidewalks and/or footbridges are covered with snow and/or ice they are very slippery. Please use extreme caution when walking on them. Under the policy the Public Works Crew is directed to clear the **footbridges only**, and only after the major roads and streets have been cleared.

We regret this inconvenience brought on by forces of nature, and remind you to use **extreme caution** when using the sidewalks and footbridges during the winter, and that you are doing so at your own risk.

This notice is published in accordance with Village of Port Alice

Sidewalk & Footbridge Maintenance Policy Code No. 4.3.b.

Gateway to the Wild West Coast

The Village of Port Alice, Mayor and Council have heard you. Due to requests from the public the transfer station will now be open extended hours as of May 1st—Oct 31st on the below days:

Monday, Wednesday, Thursday and Friday from 12pm—6pm

COEXISTING WITH WILDLIFE

A Bear Overview

BC is home to one of the highest populations of bears in the world ranging from 120-150 thousand. 14,000—25,000 calls per year are made to Conservation Officers regarding black bears. 60% of these call pertain to garbage.

So what can you do to ensure best waste management practices are being done?

- Be aware of non food attractants such as kitty litter, diapers, propane, oils and fragrant cosmetics etc.
- Use transfer station hours regularly
- Ensure all garbage bins are firmly latched
- Compostable items should be frozen until the morning of pick-up
- BBQ grills and grease pans must be cleaned after use and stored in a secure place
- Make sure to pick up ripe and/or rotten fruit/berries in a timely fashion

**A fed bear
is a dead
bear!**

Myth # 1: Fed Bears Are Tame

False. Fed bears can be more dangerous than wild bears because of their expectations of receiving food from humans.

Myth # 2: Bears Hibernate In The Winter

False. Bears are most active between April-November but in milder climates, or where they are continuously finding food bears may not go in their dens.

TRANSFER STATION NOTICE

The Village Of Port Alice Transfer Station at the Public Works Yard is for **residential** use only. Contractors must dispose of waste at the 7 Mile Landfill.

Wood waste must be clean.

The Transfer Station does not accept drywall or asphalt roofing tiles.

Everyone can do their part to make the system work, please take the time to separate your waste properly and follow the signage placed around the yard.

Please refrain from flushing any type of disinfecting wipes, flushable wipes, or paper towel down your toilets. This will cause expensive damage to the Sewer System and can create issues for home owners as well.

Family Sundays-play all day for only \$20!

Anderson, Robert Louis July 21, 1952 – September 8, 2022

Lou passed away at home with his loving wife and son by his side, country and western tunes playing and a westerly wind blowing through the window.

He has gone to a place with calm waters, where winds and tides no longer matter.
Lou overcame a few serious health issues over the last 20 years but could not win against cancer.

Born in Victoria to Phil and Dorothy Anderson (both deceased) he spent an active life outdoors. Leaving school before graduating, he became the mate on the Fishing Vessel, Viking Princess, and so his life on the sea began.

He moved to Port Alice, with his bride Cathy (nee Chalmers), in 1973. There they quickly became part of the small community. Lou became a member of the Port Alice (PA) Volunteer Fire Department, The PA Kinsmen Club and RCL #180. His coaching career started with PA Minor Hockey and moved to NI Eagle Rep Hockey where the Pee Wee Team won the Provincial Title. He also coached the Port McNeill Downpour and Twisted Sisters women's teams.

Lou was a dedicated employee for over 40 years in the Forest Industry. Retiring as Capt. Lou of the MV Mahatta 2. He made many friends throughout his career and lifetime. Hunting and fishing were his favourite pass times.

Survived by his loving wife of 49 years, Cathy, his son Eli (Jaclyn) and granddaughter Logann. As well as cherished sister in laws, Sandi Leatham (Gord, deceased) and Deb Saxby (Rod), Mother-in-law Edwina Chalmers, nieces and nephews, cousins in Ontario and Quebec and many close personal friends who became our extended family.

The family would like to thank the DR. s and staff at the Port Alice Health Centre and Transplant Clinic #4 at RJH (current and retired) for their years of dedicated health care.

By Lou's request, there will be no formal ceremonies. His family will fulfill his wishes with a "send off" to be held outdoors on June 3rd, 2023 at Lions Park in Port Alice commencing at 3:00 PM (1500 hours). There will be a no host beer gardens.
