Mayor's Corner September 2023

Busy summer so far. Great to know we have heroes in our community. Gaston from our Volunteer Fire Department had joined with the Port McNeill Fire Department to help out with the Kelowna fires. They have returned safely. Outstanding Gaston!!

We were fortunate to conduct a meeting with the Ministry of Connectivity. Things are looking good. Still a few hurdles to jump but imagine the potential once we are connected to the fiber optics hub.

In Health matters, construction is currently underway in Port Hardy which will be housing our TriPort Magnetic Resonance Imaging machine (MRI). Imagine how much time this will save everyone. Thanks to our health care professionals!

Once again, I would like to express our gratitude to our local businesses in Port Alice that have invested in our community and our future. If by chance you are around our Community Center, check out our new clothing line!

Stay Safe!

Mayor Kevin Cameron

Stage 1 - Water Use Restrictions

During Stage 1 restrictions, a person may

water lawns, trees/shrubs/flowers/vegetable gardens using hose-connected or automatic in-ground sprinklers only if the following conditions are met:

- * premises with even numbered addresses on even numbered days
- * premises with odd numbered addresses on odd numbered days

Stage 1 restrictions shall be in effect between June 1 and September 30 each year, unless otherwise notified in accordance with this bylaw.

Village Council Meetings

Council Meetings are held the 2nd & 4th Wednesday of the month in the Village Council Chambers at 6:00pm. If there is an issue or concern that you wish to address Council about, you may request delegate status by submitting a signed letter of request by 4:30pm on the Thursday prior to the next meeting.

Village of Port Alice

Wood Stove Exchange Program

The Port Alice Wood Stove Exchange Program is designed to encourage residents to exchange their old, inefficient, non-EPA certified wood burning appliances for new EPA-certified wood burning stoves and inserts, and other qualifying appliances including gas, pellet and electric. (Some exceptions apply).

Port Alice residents who exchange their old wood-burning appliance for one qualified under the Program, are eligible to receive a **\$250 rebate**, providing that the old stove will be decommissioned and recycled.

Ask for details at the Village Office or look online at www.portalice.ca

Are you planning to replace a Wood or Pellet Stove? There's a \$250 rebate that can help reduce your costs!

COEXISTING WITH WILDLIFE

A Bear Overview

BC is home to one of the highest populations of bears in the world ranging from 120-150 thousand. 14,000—25,000 calls per year are made to Conservation Officers regarding black bears. 60% of these call pertain to garbage.

So what can you do to ensure best waste management practices are being done?

- Be aware of non food attractants such as kitty litter, diapers, propane, oils and fragrant cosmetics etc.
- Use transfer station hours regularly
- Ensure all garbage bins are firmly latched
- Compostable items should be frozen until the morning of pick-up
- BBQ grills and grease pans must be cleaned after use and stored in a secure place
- Make sure to pick up ripe and/or rotten fruit/berries in a timely fashion

**A fed bear
is a dead
bear!**

Myth # 1: Fed Bears Are Tame

False. Fed bears can be more dangerous than wild bears because of their expectations of receiving food from humans.

Myth # 2: Bears Hibernate In The Winter

False. Bears are most active between April-November but in milder climates, or where they are continuously finding food bears may not go in their dens.

TRANSFER STATION NOTICE

The Village Of Port Alice Transfer Station at the Public Works Yard is for **residential** use only. Contractors must dispose of waste at the 7 Mile Landfill.

Wood waste must be clean.

The Transfer Station does not accept drywall or asphalt roofing tiles.

Everyone can do their part to make the system work, please take the time to separate your waste properly and follow the signage placed around the yard.

Please refrain from flushing any type of disinfecting wipes, flushable wipes, or paper towel down your toilets. This will cause expensive damage to the Sewer System and can create issues for home owners as well.

Municipal Transfer Station (Outside)

721 Marine Drive

Open to Port Alice Residents

New Hours, June 5th - Oct 31st

Mon, Wed, Thur and Fri 11am - 5pm

Tue 10am - 6pm

Sat 10am - 4pm

Recycling Inside Depot

(Packaging and printed material)

Please drop off your **recycling** at the **inside depot** during operating hour

Saturday 10 a.m. - 4 p.m.

Tuesday 10 a.m. - 6 p.m.

Campfire Ban in effect until further notice!

OPEN FIRE REGULATIONS

40% of B.C. wildfires are human-caused and therefore preventable

CAMPFIRES, CATEGORY 2 FIRES AND CATEGORY 3 FIRES: WHAT'S THE DIFFERENCE?

CAMPFIRE:

- Any fire smaller than 0.5 metres high by 0.5 metres wide

REGULATIONS:

You must have ready access to 8 litres of water or a shovel for the entire time your campfire is lit.

Your campfire must be completely extinguished and the ashes must be cool to the touch before leaving the area for any length of time. (Hot coals can reignite the fire.)

During campfire prohibitions, only a CSA- or ULC-approved portable campfire apparatus may be used, and the flame height must not exceed 15 centimetres.

You must build a fire guard around your campfire.

CATEGORY 2 FIRE:

- 1 to 2 concurrently burning piles no larger than 2 metres high by 3 metres wide
- Stubble or grass burning over an area less than 0.2 hectares

REGULATIONS:

A fuel break must be established around any Category 2 burn area.

Fireworks are banned when a Category 2 fire prohibition is in effect.

Burning barrels are banned when a Category 2 fire prohibition is in effect.

At least one person equipped with a fire-fighting hand tool must monitor the fire at all times.

CATEGORY 3 FIRE:

- Any fire larger than 2 metres high by 3 metres wide
- 3 or more concurrently burning piles no larger than 2 metres high by 3 metres wide
- 1 or more burning windrows
- Stubble or grass burning over an area greater than 0.2 hectares

REGULATIONS:

A fuel break must be established around any Category 3 burn area.

Monitor your open burn to ensure that the fire doesn't spread beyond its intended size.

You must have a burn registration number to light a Category 3 open fire. Call the burn registration line **1 888 797-1717** to obtain one.

Do not burn when venting conditions are "Poor" or "Fair". Always check here first: www.bcairquality.ca/readings/ventilation-index.html

GENERAL REGULATIONS:

Never burn in strong wind conditions.

Your fire must be extinguished before leaving the area.

Always keep your fire a safe distance away from nearby branches, wood and other combustible materials.

**Further bans and restrictions can be implemented at the Wildfire Management Branch's discretion.*

Anyone found in contravention of an open fire prohibition may be fined up to \$345. If your fire escapes and results in a wildfire, you may be fined anywhere from \$100,000 to \$1 million and be sentenced to one year in prison. Please check with local government authorities for any other restrictions before lighting any open fire.

Please report wildfires by calling
***5555 or 1 800 663-5555.**

A colorful advertisement for Sea Otter Eco Tours. It features a collage of nature images: a fish, a sea otter, a bird, and a mountain landscape. A QR code is prominently displayed with the text "SCAN HERE to reserve your adventure now." The main text reads "Welcome to SEA OTTER ECO TOURS" in a mix of fonts, with "SEA OTTER" in large, bold, white letters. Below this, it says "WILDLIFE TOURS FISHING CHARTERS" and "SEE OUR WEBSITE FOR RESERVATION & PACKAGE DETAILS". At the bottom, the phone number "778-828-3733" and website "SeaOtterEcoTours.ca" are listed.
