Happy Holidays from Council and Staff!

# PLEASE CLEAN UP AFTER YOUR DOG

#### Municipal Office News

#### **Municipal News - December**

The temperature is dropping, and storm season is here! Please take time to make sure your household is prepared for emergencies. The Community Centre has info packs available with valuable information on how to be prepared. 72 Hour Emergency kits should be ready in both your homes and vehicles.

Please remember that property owners are responsible for keeping the sidewalks in front of their homes clear of leaves and snow for walkers, if you know this will be difficult for a neighbour, grab a shovel and help out!

The Community Centre has a great calendar of events throughout December. There's something for everyone to take part in! Thank you to all the volunteers and donors that help these events happen – we couldn't offer so many fantastic activities without you!

From Council and staff we wish everyone a very Merry Christmas and a Happy New Year – we hope everyone has a safe and fun holiday season!

#### Sidewalk & Footbridge Winter Maintenance Policy 2023 - 2024 Winter Season

During the 2023-2024 winter season, please be aware that the Village of Port Alice does not remove snow and/or ice from the public sidewalks in the village.

When the sidewalks and/or footbridges are covered with snow and/or ice they are very slippery. Please use extreme caution when walking on them. Under the policy the Public Works Crew is directed to clear the **footbridges only**, and only after the major roads and streets have been cleared.

We regret this inconvenience brought on by forces of nature, and remind you to use **extreme caution** when using the sidewalks and footbridges during the winter, and that you are doing so at your own risk.

This notice is published in accordance with Village of Port Alice

Sidewalk & Footbridge Maintenance Policy Code No. 4.3.b.

#### **Village Council Meetings**

Council Meetings are held the 2nd & 4th Wednesday of the month in the Village Council Chambers at 6:00pm. If there is an issue or concern that you wish to address Council about, you may request delegate status by submitting a signed letter of request by 4:30pm on the Thursday prior to the next meeting.

**Deadline for January is December 14th** 

#### Village of Port Alice

The Port Alice Wood Stove Exchange Program is designed to encourage residents to exchange their old, inefficient, non-EPA certified wood burning appliances for new EPA-certified wood burning stoves and inserts, and other qualifying appliances Including gas, pellet and electric. (Some exceptions apply).

Port Alice residents who exchange their old wood-burning appliance for one qualified under the Program, are eligible to receive a **\$250 rebate**, providing that the old stove will be decommissioned and recycled.

Ask for details at the Village Office or look online at www.portalice.ca

Are you planning to replace a Wood or Pellet Stove? There's a \$250 rebate that can help reduce your costs!

We seem to have many excited dogs in town that have a lot to say! Barking dog complaints are up at the Village Office, and we'd like to remind owners that persistent barking violates Bylaw 599.

4.07 No person shall permit any dog to bark persistently so as to disturb the quiet, peace, rest, enjoyment, comfort or convenience of the neighborhood or of persons in the vicinity.

Please be considerate of those around you and ensure your pups are not barking consistently, especially early in the morning and late at night.

Also, a good time to remind owners that it is your responsibility to pick up after your pets!

#### Municipal Office News

#### TRANSFER STATION NOTICE

The Village Of Port Alice Transfer Station at the Public Works Yard is for **residential** use only. Contractors must dispose of waste at the 7 Mile Landfill.

Wood waste must be clean.

#### The Transfer Station does not accept drywall or asphalt roofing tiles.

Everyone can do their part to make the system work, please take the time to separate your waste properly and follow the signage placed around the yard.

\_\_\_\_\_

Please refrain from flushing any type of disinfecting wipes, flushable wipes, or paper towel down your toilets. The will cause expensive damage to the Sewer System and can create issues for home owners as well.

#### Municipal Transfer Station (Outside)

Open to Port Alice Residents

Hours extended until further notice.

Mon, Wed, Thur and Fri 11am - 5pm

Tue 10am - 6pm

Sat 10am - 4pm

Recycling Inside Depot

(Packaging and printed material)

Please drop off your recycling at the inside depot during operating hour

Saturday 10 a.m. - 4 p.m.

Tuesday 10 a.m. - 6 p.m.

Or fill out the Firefighter Application Form available at the Village Office or on http://portalice.ca/village-office/employment-volunteering and drop off at the Village Office.

#### Wildlife Information

### Cougar

The cougar (*Puma concolor*) is the largest of the three wild cats in Canada and is a formidable hunter. They are also known as mountain lions, pumas and panthers. They are strict carnivores that primarily feed on deer and their distribution hence aligns strongly with our two deer species. These cats are light brown in colour and are quickly identified by their compact head and a long heavy tail which is about one-third the length of their body and has a black tip.

- Cougars can sprint to over 70 km/hr
- Cougar tracks tend to lack claw marks as

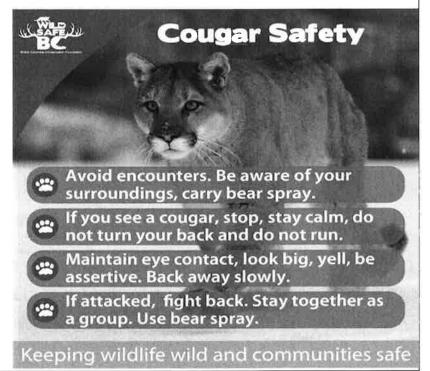

they have retractable claws

- Cougars are widely distributed throughout BC and have the one of the largest species ranges in the Northern hemisphere
- Cougars are the largest wild felines in the province followed by lynx and bobcat
   Cougars are strict carnivores that usually hunt deer but are known to kill other ungulates such as sheep, elk and moose, as well as small mammals

Cougars have large home ranges and males have been recorded traveling over 50 kilometers in one day. Cougars have one of the widest distributions of mammals in the Americas and can be found all the way from Patagonia into the southern reaches of the Yukon. In the summer season they seek areas close to water and with wetland cover.

When denning with kittens a female will find a sheltered area amongst boulders, rocky outcrops and / or dense vegetation. Cougars will normally avoid roads and human areas, however cougars can live in urban areas and remain undetected by people.

Cougars account for approximately 2,500 calls to the Conservation Officer Service reporting line every year, however many reported cougar sightings turn out to be animals other than cougars. Cougar attacks are very rare, but if you encounter a cougar, keep calm and never run. Make yourself look as large as possible and back away slowly, keeping the cougar in view, and allowing a clear exit for the cougar. If attacked, always fight back and never "play dead". If travelling with small children, pick them up immediately. Children are most at risk in a cougar encounter and they should be taught how to behave appropriately

#### Hello Port Alice, BC!

I recently made the move to this breathtaking place, and I'm truly grateful to now call it home. Hi, I'm Renae, and as your new local financial advisor, I'm here to help you navigate the world of investments, retirement planning, estate planning, wills, and tax savings. Whether you have questions about TFSA, RRSP, or simply want to secure your financial future, I've got you covered. With my expertise and a commitment to your financial well-being, I also provide guarantees of capital.

Let's connect, have a chat, and explore how we can work together to achieve your financial goals. Book a consultation today, and let's embark on this financial journey together. Your life deserves a solid financial plan.
