VILLAGE OF PORT ALICE REPORT TO COUNCIL

To: Recreation Committee
From: Community Centre Coordinator
Date: January 2024
Subject: January's Month End Report

The Community Centre opened back up after the Christmas Closure on the 2nd. The kids were still out of school until the 8th. It was slow going the first week back with some people being away. Programs like tai chi, mahjong, yoga, and volleyball are doing well. Bridge is starting to pick up a few new players. Sit Fit is gaining some attendance as well. We are down on numbers for open gym afterschool due to the school's afterschool program. Denise and I will be introducing a new afterschool program a couple days a week, along with open gym, to give some variety of activities. The school's program will join us from time to time. There will be some paid programming coming as well. The teen centre has been moved back to the Community Centre due to attendance dropping. We will still offer a space in the back at the CC, but having both Denise and I in the same building gives us more opportunities for specialized programming.

There were 11 room bookings, along with the 3 re-occurring bookings, this month.

We have provided an indoor garage sale on the 27th. There are 5 families signed up for this.

Planning is underway for the yearly events, with plans to add new things.

Respectfully Submitted,

Louisa Moore
