Municipal Office News

Municipal News

Link River Campground will see more sites, and a much-needed clean-up before we open in May! Work has been started, and thanks to the generosity of local businesses and volunteer labor, some major changes are possible! We have had community members offer to help so we have planned a volunteer day at the park on April 13th, 2024 (Weather dependent). Bring your work gloves, rakes, and community spirit! We will have some extra tools on hand as well. Work will begin at 10am, and we will have some snacks and hot dogs for roasting on-site. All ages welcome and encouraged to take part!

We love our local dogs but have had many reports of their people not cleaning up after them. It is the responsibility of the owner to clean up after your pets. There are several doggy-bag stations around town to help you do so. The ballpark can only be used by dogs if their messes are cleaned up while there. Please be respectful of the community and be a responsible pet owner!

As the wildlife is getting more active, please continue to be diligent with garbage containers, food sources and attractants. This is the best way to keep our furry neighbors safe and sound! Thank you for the efforts so many have made to ensure this is happening.

Sidewalk & Footbridge Winter Maintenance Policy 2023 - 2024 Winter Season

During the 2023-2024 winter season, please be aware that the Village of Port Alice does not remove snow and/or ice from the public sidewalks in the village.

When the sidewalks and/or footbridges are covered with snow and/or ice they are very slippery. Please use extreme caution when walking on them. Under the policy the Public Works Crew is directed to clear the **footbridges only**, and only after the major roads and streets have been cleared.

We regret this inconvenience brought on by forces of nature, and remind you to use **extreme caution** when using the sidewalks and footbridges during the winter, and that you are doing so at your own risk.

This notice is published in accordance with Village of Port Alice Sidewalk & Footbridge Maintenance Policy Code No. 4.3.b.

Village Council Meetings

Council Meetings are held the 2nd & 4th Wednesday of the month in the Village Council Chambers at 6:00pm. If there is an issue or concern that you wish to address Council about, you may request delegate status by submitting a signed letter of request by 4:30pm on the Thursday prior to the next meeting.

Deadline for April is March 22nd

Village of Port Alice Wood Stove Exchange Program

The Port Alice Wood Stove Exchange Program is designed to encourage residents to exchange their old, inefficient, non-EPA certified wood burning appliances for new EPA-certified wood burning stoves and inserts, and other qualifying appliances including gas, pellet and electric. (Some exceptions apply).

Port Alice residents who exchange their old wood-burning appliance for one qualified under the Program, are eligible to receive a **\$250 rebate**, providing that the old stove will be decommissioned and recycled.

Ask for details at the Village Office or look online at www.portalice.ca

Are you planning to replace a Wood or Pellet Stove? There's a **\$250 rebate** that can help reduce your costs!

Boulevards

Please keep boulevards clear for snow removal and traffic flow.

TRANSFER STATION NOTICE

The Village Of Port Alice Transfer Station at the Public Works Yard is for **residential** use only. Contractors must dispose of waste at the 7 Mile Landfill.

Wood waste must be clean.

The Transfer Station does not accept drywall or asphalt roofing tiles.

Everyone can do their part to make the system work, please take the time to separate your waste properly and follow the signage placed around the yard.

Please refrain from flushing any type of disinfecting wipes, flushable wipes, or paper towel down your toilets. This will cause expensive damage to the Sewer System and can create issues for home owners as well.

Municipal Transfer Station (Outside)

721 Marine Drive

Open to Port Alice Residents

Hours extended until further notice.

Mon, Wed, Thur and Fri 11am - 5pm

Tue 10am - 6pm

Sat 10am - 4pm

Recycling Inside Depot

(Packaging and printed material)

Please drop off your **recycling** at the **inside depot** during operating hour

Saturday 10 a.m. - 4 p.m.

Tuesday 10 a.m. - 6 p.m.

2024 Port Alice Spring Clean Up March 25, 26, 27

Maquinna Ave.
Nigei & Taylor St
Elst & Fraser St

Pick-up Wed, March 27th

Marine Dr.
Alderwood Acres

****Strata items need to be left closer to the main street & Alderwood Acres must be brought to Blue Bin areas to allow for Public Works vehicles to load ****

Any unacceptable material will NOT be picked up, and must be removed from the boulevard within 48 hours.

Accepted Material:

- Household Appliances & Electronics
- Furniture (remove all metal screws and handles)
- Brush, Grass Clippings, and Tree Limbs

**One Dump Truck Load
per Household**

Unacceptable Material:

- Kitchen Waste or Putrescible Waste
 - Household Garbage
- Construction Material including:
Drywall, Roofing, Flooring, Siding
- Vehicles, Boats or Trailers
 - Carcasses
 - Noxious Weeds
 - Tires
 - Batteries
- Paint, Oils, Propane Tanks
- Liquid or Flammable Waste

COEXISTING WITH WILDLIFE

A Bear Overview

BC is home to one of the highest populations of bears in the world ranging from 120-150 thousand. 14,000—25,000 calls per year are made to Conservation Officers regarding black bears. 60% of these call pertain to garbage.

So what can you do to ensure best waste management practices are being done?

- Be aware of non food attractants such as kitty litter, diapers, propane, oils and fragrant cosmetics etc.
- Use transfer station hours regularly
- Ensure all garbage bins are firmly latched
- Compostable items should be frozen until the morning of pick-up
- BBQ grills and grease pans must be cleaned after use and stored in a secure place
- Make sure to pick up ripe and/or rotten fruit/berries in a timely fashion

**A fed bear
is a dead
bear!**

Myth # 1: Fed Bears Are Tame

False. Fed bears can be more dangerous than wild bears because of their expectations of receiving food from humans.

Myth # 2: Bears Hibernate In The Winter

False. Bears are most active between April-November but in milder climates, or where they are continuously finding food bears may not go in their dens.

Stay safe on the roads in winter weather

Top up your windshield washer fluid and gas tank or electrical charge

Pack an emergency kit with warm clothes, a blanket, food and water

Make sure your headlights and taillights are working

Have a snow brush and scraper available

Ensure winter or snow-rated tires are in good condition

Oct 1 - Apr 30

MUST USE WINTER TIRES

M+S

Emergency Preparedness

BASIC EMERGENCY KIT SUPPLIES

gov.bc.ca/PreparedBC

First aid kit, prescriptions and other personal items

Emergency plan, copies of important documents and cash

Garbage bags, moist towelettes and plastic ties

Battery-powered or hand-crank radio

Phone charger and battery bank

Blanket, seasonal clothing and footwear

Battery-powered or hand-crank flashlight

Non-perishable food for at least three days

Water for at least three days; four litres per person per day

Whistle

Emergency battery backup power is essential because it can provide a reliable source of electricity during unexpected power outages or emergencies.
