Mayor's Corner June 2024

As Emergency Preparedness Week has come and gone, and as far as emergency management goes, we are inundated with upset conditions through social media. There is not a lot we can do to alleviate these conditions. But we can focus on what we can do for our homes and communities.

Within the Village of Port Alice, the municipal council has established an emergency plan which would be activated in case of an emergency. The Village of Port Alice maintains an executive committee. Their responsibility is to formulate, conduct and carry out studies and exercises which include training activities and hazard recognition, in order to keep the plan in a state of readiness.

Living in Port Alice, we are fortunate as our hazard percentage is of a medium nature. This does not mean we can afford to let our guard down. But it is comforting to know that we are living in a safer than most community. As a citizen of Port Alice, you have a role and responsibility to emergency management to protect yourself and your loved ones. The best thing you can do is:

- 1. Know the risk
- 2. Make sure that you have a plan ready in case of emergency
- 3. Above all, ensure that you have an emergency kit in your household that will at least protect your family for 72 hours.

This is your best line of defense. Understanding that emergency personnel will be tasked with numerous roles and responsibilities. We need you as a homeowner to take responsibility for your family.

The Community Center is your reception center for emergencies.
Stay safe.

Mayor Kevin Cameron

Village Council Meetings

Council Meetings are held the 2nd & 4th Wednesday of the month in the Village Council Chambers at 6:00pm. If there is an issue or concern that you wish to address Council about, you may request delegate status by submitting a signed letter of request by 4:30pm on the Thursday prior to the next meeting.

Village of Port Alice

Wood Stove Exchange Program

The Port Alice Wood Stove Exchange Program is designed to encourage residents to exchange their old, inefficient, non-EPA certified wood burning appliances for new EPA-certified wood burning stoves and inserts, and other qualifying appliances including gas, pellet and electric. (Some exceptions apply).

Port Alice residents who exchange their old wood-burning appliance for one qualified under the Program, are eligible to receive a **\$250 rebate**, providing that the old stove will be decommissioned and recycled.

Ask for details at the Village Office or look online at www.portalice.ca

Are you planning to replace a Wood or Pellet Stove? There's a **\$250 rebate** that can help reduce your costs!

COEXISTING WITH WILDLIFE

A Bear Overview

BC is home to one of the highest populations of bears in the world ranging from 120-150 thousand. 14,000—25,000 calls per year are made to Conservation Officers regarding black bears. 60% of these call pertain to garbage.

So what can you do to ensure best waste management practices are being done?

**A fed bear
is a dead
bear!**

- Be aware of non food attractants such as kitty litter, diapers, propane, oils and fragrant cosmetics etc.
- Use transfer station hours regularly
- Ensure all garbage bins are firmly latched
- Compostable items should be frozen until the morning of pick-up
- BBQ grills and grease pans must be cleaned after use and stored in a secure place
- Make sure to pick up ripe and/or rotten fruit/berries in a timely fashion

Myth # 1: Fed Bears Are Tame

False. Fed bears can be more dangerous than wild bears because of their expectations of receiving food from humans.

Myth # 2: Bears Hibernate In The Winter

False. Bears are most active between April-November but in milder climates, or where they are continuously finding food bears may not go in their dens.

TRANSFER STATION NOTICE

The Village Of Port Alice Transfer Station at the Public Works Yard is for **residential** use only. Contractors must dispose of waste at the 7 Mile Landfill.

Wood waste must be clean.

The Transfer Station does not accept drywall or asphalt roofing tiles.

Everyone can do their part to make the system work, please take the time to separate your waste properly and follow the signage placed around the yard.

Please refrain from flushing any type of disinfecting wipes, flushable wipes, or paper towel down your toilets. The will cause expensive damage to the Sewer System and can create issues for home owners as well.

Municipal Transfer Station (Outside)

721 Marine Drive

Open to Port Alice Residents

Hours extended until further notice.

Mon, Wed, Thur and Fri 11am - 5pm

Tue 10am - 6pm

Sat 10am - 4pm

Recycling Inside Depot

(Packaging and printed material)

Please drop off your **recycling** at the **inside depot** during operating hour

Saturday 10 a.m. - 4 p.m.

Tuesday 10 a.m. - 6 p.m.

Leave No Trace
SEVEN PRINCIPLES

1. Plan Ahead & Prepare
2. Travel & Camp on Durable Surfaces
3. Dispose of Waste Properly
4. Leave What You Find
5. Minimize Campfire Impacts
6. Respect Wildlife
7. Be Considerate of Other Visitors

resqme ROUTE 66

SUMMER ROAD TRIP CAR CHECKLIST

Car Battery & Engine
 Make sure your car engine and battery are in great shape, because without them, you won't be getting very far on your journey.

Tires
 Check your tire alignment, tread, and pressure to make sure they're ready for the road. You can take your car to a professional or do it yourself!

Brakes
 Have your brakes & brake pads checked to ensure there won't be any issues down the road. And don't forget to top off your brake fluid!

Fluids
 They might be overlooked, but make sure to fill up on engine coolant, engine oil, power steering fluid, transmission fluid, and washer fluid.

Personal Items
 Dedicate some trunk space for water bottles, snacks, a first-aid kit, and blankets in case of an emergency.

Safety & Repair Tools
 Stock up your car with safety tools like our resqme™ to quickly escape a car entrapment. It's also great to carry some important car repair tools!

Emergency Preparedness

Top 10 hazards in B.C.

BASIC EMERGENCY KIT SUPPLIES
