Municipal News – September

It's back to school time! Please remember to obey school zone speed and be watching for our little learners as they head back to the classroom after Labour day. We are fortunate to have many outdoor learning activities for our students so be watching for them all day, all over town!

Fall is quickly approaching and it's time to ensure that fruit is picked, rotten fruit disposed of, garbage is secured, and any other attractants are secured from bears. If you are unable to address fruit in your yard let the community know – we have several awesome neighbours that offer to help each year!

The Village Office staff will be at Club Night on September 10th to show the community the new Parks Plan and provide updates on Community projects. Come join us for a chance to win some prizes!

We are on our way to storm season and it's time to check that you are prepared for any emergencies. There will be an emergency preparedness table at the Community Centre on Club Night to answer questions and help provide great info for having your household prepared.

Village Council Meetings

Council Meetings are held the 2nd & 4th Wednesday of the month in the Village Council Chambers at 6:00pm. If there is an issue or concern that you wish to address Council about, you may request delegate status by submitting a signed letter of request by 4:30pm on the Thursday prior to the next meeting.

Stage 1 - Water Use Restrictions

During Stage 1 restrictions, a person may:

water lawns, trees/shrubs/flowers/vegetable gardens using a hose-connected or automatic inground sprinklers only if the following conditions are met:

*premises with even numbered addresses on even numbered days

*premises with odd numbered addresses on odd numbered days

Stage 1 restrictions shall be in effect between June 1 and September 30 each year, unless otherwise notified in accordance with this bylaw.

The Port Alice Wood Stove Exchange Program is designed to encourage residents to exchange their old, inefficient, non-EPA certified wood burning appliances for new EPA-certified wood burning stoves and inserts, and other qualifying appliances including gas, pellet and electric. (Some exceptions apply).

Port Alice residents who exchange their old wood-burning appliance for one qualified under the Program, are eligible to receive a **\$250 rebate**, providing that the old stove will be decommissioned and recycled.

Ask for details at the Village Office or look online at www.portalice.ca

Are you planning to replace a Wood or Pellet Stove? There's a **\$250 rebate** that can help reduce your costs!

COEXISTING WITH WILDLIFE

A Bear Overview

BC is home to one of the highest populations of bears in the world ranging from 120-150 thousand. 14,000—25,000 calls per year are made to Conservation Officers regarding black bears. 60% of these call pertain to garbage.

A fed bear is a dead bear!

So what can you do to ensure best waste management practices are being done?

- Be aware of non food attractants such as kitty litter, diapers, propane, oils and fragrant cosmetics etc.
- Use transfer station hours regularly
- Ensure all garbage bins are firmly latched
- Compostable items should be frozen until the morning of pick-up
- BBQ grills and grease pans must be cleaned after use and stored in a secure place
- Make sure to pick up ripe and/or rotten fruit/berries in a timely fashion

Myth # 1: Fed Bears Are Tame
False. Fed bears can be more dangerous than wild bears because of their expectations of receiving food from humans.

Myth # 2: Bears Hibernate In The Winter
False. Bears are most active between April-November but in milder climates, or where they are continuously finding food bears may not go in their dens.

TRANSFER STATION NOTICE

The Village Of Port Alice Transfer Station at the Public Works Yard is for **residential** use only. Contractors must dispose of waste at the 7 Mile Landfill.

Wood waste must be clean.

The Transfer Station does not accept drywall or asphalt roofing tiles.

Everyone can do their part to make the system work, please take the time to separate your waste properly and follow the signage placed around the yard.

Please refrain from flushing any type of disinfecting wipes, flushable wipes, or paper towel down your toilets. This will cause expensive damage to the Sewer System and can create issues for home owners as well.

Municipal Transfer Station (Outside)

721 Marine Drive

Open to Port Alice Residents

Hours extended until further notice.

Mon, Wed, Thur and Fri 11am - 5pm

Tue 10am - 6pm

Sat 10am - 4pm

Recycling Inside Depot

(Packaging and printed material)

Please drop off your **recycling** at the **inside depot** during operating hour

Saturday 10 a.m. - 4 p.m.

Tuesday 10 a.m. - 6 p.m.

Leave No Trace
SEVEN PRINCIPLES

1. Plan Ahead & Prepare
2. Travel & Camp on Durable Surfaces
3. Dispose of Waste Properly
4. Leave What You Find
5. Minimize Campfire Impacts
6. Respect Wildlife
7. Be Considerate of Other Visitors
