VILLAGE OF PORT ALICE REPORT TO COUNCIL

To: Recreation Committee
From: Community Centre Coordinator
Date: October 2024
Subject: Month End Report

The evening programming of Pickle Ball, Volleyball and Badminton have been cancelled due to lack of attendance. I have just made it open gym with acknowledgement that these programs are still available during this time. The teens are starting to come more during the evenings to play basketball, as well as some younger families coming to wear out their toddlers. The other programs are doing good.

There were ten room bookings, which included the BC Elections, plus three re-occurring bookings.

For the Halloween Carnival this year, we added two bouncy castles at a cost of \$1365. We raised \$1420 in donations, plus donations of candy for the goody bags. Although we posted for two hours for everyone, and one hour for kids with special needs, majority of kids with special needs were there from the beginning. Something we noticed during the event was the need for toddlers to have time on the inflatables for themselves. It is something to consider for the next time. The afternoon was well attended, with a few families coming from the other Tr-Ports. We also provided a small concession, with the popcorn and cupcakes being donated. We raised approximately \$320 after expenses towards future events. It was a great afternoon.

The marquee has arrived and waiting to be installed. Electrical work needs to be completed first. I have touched base with the software company to have that part done and have some training to be ready to go. I am looking forward to having it up and running.

I am wondering what Council's thoughts are on prizes for Christmas House Decorating. I feel it is the same people every year. I would like to use the money instead to purchase prizes for our two holiday bingos, Adult Potluck and Family Bingo at Breakfast with Santa. Also, a fun elf and grinch contest with a \$25 gift card to a local business. Correct answers put into a draw. Something fun for everyone.

A decision needs to be made about a Christmas Closure. The week of December 24th to 28th would be recommended so staff can enjoy the holidays. Should the Community Centre be open the week of December 31st to January 4th, with it being closed on January 1st for the Statutory Holiday? The first week is not busy as people are gathering with family or travelling.

Respectfully Submitted,
Louisa Moore
