To Port Alice Mayor and Council

Ocean View Christian Assembly Women are looking forward to hosting our Annual Ladies Dessert Night again this year. The event will be on Monday Dec. 1 in the Community Centre gym. We are planning an exciting evening that will involve time for setting up again this year. As the centre is closed on Sunday and Monday we are wondering if we paid liability insurance and cleaning fees if we could set up and host our event on Nov 29, 30 & Dec 1 and have the rest of the rental fees waived. Thank you for considering this request.
