Sidewalk & Footbridge Winter Maintenance Policy 2025 - 2026 Winter Season

During the 2025-2026 winter season, please be aware that the Village of Port Alice does not remove snow and/or ice from the public sidewalks in the village.

When the sidewalks and/or footbridges are covered with snow and/or ice they are very slippery. Please use extreme caution when walking on them. Under the policy the Public Works Crew is directed to clear the **footbridges only**, and only after the major roads and streets have been cleared.

We regret this inconvenience brought on by forces of nature, and remind you to use **extreme caution** when using the sidewalks and footbridges during the winter, and that you are doing so at your own risk.

This notice is published in accordance with Village of Port Alice Sidewalk & Footbridge Maintenance Policy Code No. 4.3.b.
