**Mayor’s Corner  
April 2026**

It has been an extremely busy couple of months. Council has had numerous meetings over budget deliberations. Once again, we understand the financial pressures on everyone. We were able to keep Port Alice’s budget in line. I am proud that we are delivering such a small budget hike.

Josie Osborne, Minister of Health for BC, was able to visit the Port Alice Health Centre and I’m pleased to say that we have found monies to improve our Health Centre. It was an excellent meeting. She talked with nurses and staff who were extremely happy that she met with them. Ms. Osborne called me to recently to advise that Port Hardy will be receiving a large infrastructure investment which will benefit the TriPort communities. I’m sure that some of these monies will go toward diagnostic equipment which will reduce the frequency of down island trips.

We have been actively working out at Link River Campsite to improve not only safety but the whole experience of camping. We are also improving Lions Park infrastructure with a new mobility access washroom and replacing the Pavillion. Bare with us, it should look good when we are finished.

Port Alice was also able to host 38 students and teachers from UBC Forestry Department. These students will be completing their RPF’s shortly. We were in talks over our Community Forest and they informed us that we were doing a great job. We have also been allocated a larger annual allowable cut which is a win win.

Sincerely,

Mayor Cameron

**Village Council Meetings**

Council Meetings are held the 2nd & 4th Wednesday of the month in the Village Council Chambers at 6:00pm. If there is an issue or concern that you wish to address Council about, you may request delegate status by submitting a signed letter of request by 4:30pm on the Thursday prior to the next meeting.
