Municipal News May 2026

It looks like Spring is finally going to make an appearance! Bears will start being close to town and we would like to remind everyone to take responsibility for ensuring there are no attractants available for wildlife to access. Ensure bins are locked and garbage cans are not placed outside until garbage day.

Emergency Preparedness Week in BC for 2026 runs from **May 3 to May 9**, with the theme "In it Together," focusing on community connection and personal resilience.

Key Action Items:

- Build a household emergency kit (72-hour minimum) and a 24-hour grab-and-go bag.
- Create a family communication plan with local and out-of-area contacts.
- Connect with neighbours to build local, immediate response networks.

Moorage is now available online at letsboat.com! Reserve your spot at the Marina this summer.

Village Council Meetings
